Edimax Default Password

Change EDIMAX EW-7209APg Default Password It's easy for a hacker to find out the manufacturer's default password for your EDIMAX EW-7209APg router and then use that password to access your wireless network.. So it's wise to change the administrator Aug 28, 2013 UPDATE: I have added a link in the description below to show you how to set up the Edimax using the browser based configuration (by logging in via the Edimax IP address).
